

# BEVERAGES

MOLDED FIBER PACKAGING  
BEVERAGES PROTECTION

The way your product reaches the distributor, wholesaler or retailer, influences directly on the image and emphasis that he is going to put in the sale.

We offer a variety of dividers for storing bottles horizontally and vertically with a capacity for 3, 6 and 12 bottles.

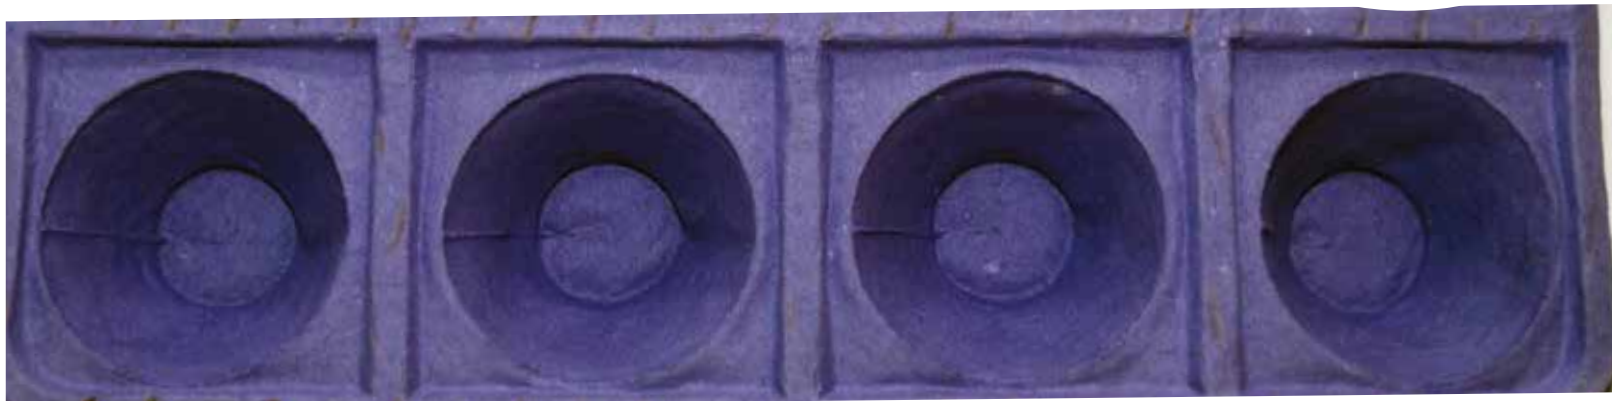

Molded fiber products are 100% biodegradable and recyclable, to help preserve the environment.
